

Automated Donation Program

The Automated Donation program allows a donor to authorize weekly, semi-monthly, or monthly deductions from their checking or savings account to the Panhandle Animal Shelter's account. All contributions are electronically processed by the shelter's bookkeeper through Panhandle State Bank. Giving electronically is secure, frees you from writing a check and allows you to break up your donation into payments rather than one lump sum.

Your donations help care for the animals at the Panhandle Animal Shelter. Donors also receive our Paw Prints newsletter. Your donation is an expression of support that we value and is an important source of income for the shelter.

To donate through the automated process please print out this form and return the completed information along with a voided check to the Panhandle Animal Shelter at our address below.
