On behalf of the animals in our care, we sincerely thank you for your support. There are many ways to contribute to the Panhandle Animal Shelter. Please consider one of the following: donation, annual membership, sponsorship, PAWS*, volunteering and through our Legacy program**. All of these methods equal the same result, a second change for homeless animals.

***PAWS** (Payment Automated Withdraw System) is a monthly giving program that provides donors with a method to make a significant donation to the shelter without "breaking the bank". By signing up for PAWS, you support our animals every month with an automatic withdrawal from your bank account, or on your credit card. At the beginning of the year, you will receive a tax receipt for the full amount of funds you donated over the previous year.

****Legacy Gifts** allow you to make a future donation to our homeless animals without affecting your current financial circumstances. Regardless of the size of your planned gift you can be sure that your gift will continue to make a lasting and vital impact on the animals we care for. Giving options may even substantially reduce your taxes. For more information about Legacy Gifts, please check the box above or call the shelter and request to speak with the Executive Director. (Legacy Gifts include Bequests, Life Insurance, Annuities, etc.)
